

## COMPUTER BUYING PROJECT RUBRIC

| DO YOU HAVE?   | POINTS<br>POSSIBLE | YES | NO | POINTS<br>EARNED |
|--|--------------------|-----|----|------------------|
| <b>PRODUCT</b>   |                    |     |    |                  |
| Title with group members' names                        | 5                  |     |    |                  |
| Interview scenario is described                        | 10                 |     |    |                  |
| Computer comparison chart with at least 4 options      | 10                 |     |    |                  |
| Chart has specifications of options                    | 5                  |     |    |                  |
| Options on chart fit your scenario                     | 10                 |     |    |                  |
| Show justification for your computer choice            | 10                 |     |    |                  |
| Your choice fits the scenario                          | 10                 |     |    |                  |
| Visuals of your choices (pictures or video of choices) | 10                 |     |    |                  |
| Computers Components Checklist                         | 5                  |     |    |                  |
| <b>PRESENTATION</b>                                    |                    |     |    |                  |
| Present all required parts of project                  | 10                 |     |    |                  |
| All group members participate                          | 5                  |     |    |                  |
| Able to answer questions                               | 10                 |     |    |                  |
| <b>EXTENSION</b>                                       |                    |     |    |                  |
| Project exhibits creativity above and beyond           | Up to 10           |     |    |                  |
| <b>Total</b>   | <b>100 + 10</b>    |     |    |                  |

### Computer Components Checklist

*Below are the different components for you to investigate:*

1. Processor
2. Operating System
3. Memory
4. Hard Drive
5. Optical Drive
6. Monitor
7. Video Card
8. Sound Card
9. Speakers
10. Keyboard
11. Mouse
12. Network Interface Card (NIC)

*For each of the components write down:*

- The name
- What it is used for
- What are the different options or sizes for the components
- Why you included the component in the list of components for the person who is buying the computer
