To risk your own life for the good of others has always been seen as an admirable thing to do. Harriet Tubman was a slave in the South. She became a free woman when she was able to run away to the North. This freedom just did not mean much to her while so many others were still slaves.

She quickly put her own life at risk by going back to the South. She did this to help others get free. She was able to help several hundred. This is a large number. During the Civil War she continued to exhibit the traits of an amazing hero. She served the Union as a spy and as a scout.
