Ken may make the girl pay for the keys to the bus.

Laura Ingalls Wilder is a beloved writer of books for children. Most of her books are based on her own experiences as a youth. Her first book was about her life in Wisconsin. From just reading such a book, children fantasize about what it would have been like to live with the pioneers during this time period of our nation.

Besides writing about her own life and the lives of her family members, she also wrote about the life of her husband, Almanzo, and his family. Her second book was about the early years of his life growing up on a farm near the Canadian border in the state of New York. Through these exquisite books, this period of time in our history is preserved forever.
