

Project 12 – Meet the Team

Introducing and promoting your dream team

Goal

To help promote your team to the public, you will create an informative presentation. Your presentation will tell the public what your team is all about and why your team will be successful in the professional league. This presentation will be shown on large screen TVs inside and outside of the stadium during games and other high-visibility times.

Tactics

- Be consistent with the team colors and fonts that you have been using throughout this unit.
- Keep the slide transition the same so as not to distract your audience.
- Limit the use of animation and sound effects to minimize distraction.
- Be sure to include the team logo in your presentation.
- Use graphic images to help illustrate key points in slideshow.
- Choose graphics that are consistent in style, design, color, and size
- Read through all instructions before proceeding with the project.

Instructions

1. Using Microsoft PowerPoint, open a new presentation.
2. Follow the template provided to complete your 10-slide presentation.
3. Save your project in case of a computer problem (and continue to save the project every 10-a5 minutes).
4. Add additional text and/or graphic images that you feel will help illustrate and enhance the content and appearance of each slide.
5. Apply the following PowerPoint features to your presentation
 - a. Apply a background to each slide that best matches the colors of your team
 - b. Apply an identical slide transition to all slides
 - c. Apply custom animation to a minimum of three (3) objects in the slideshow
6. Run the slideshow and carefully proofread your work for accuracy, design and format. Be show to include all of the required information and PowerPoint features.
7. Resave the document.
8. Print a copy of your presentation as handouts using 6 slides per page, printing on both sides of the paper.
