Project Description

College Concierge has received the approved text for an acceptance letter that the University of Learning will be printing on their existing letterhead. This will be a block-style letter, with all of the lines left-justified.

Your Job

As the Microsoft Word Specialist, you will create an original acceptance letter file for the university. You can use the Save As function to create and save different versions of the letter. The text has only been provided as a hard copy and needs to be keyed into a Microsoft Word document. The letter provided is a draft and requires careful proofreading.

Tips and Strategies

1. An example of what your finished document should look like has been provided. Refer to this document for visual guidance as you complete the instructions. When you see an icon in the instructions, look for the matching icon in the finished document.
2. Be sure the finished document is formatted as a block-style letter.
3. Read through all of the instructions before proceeding with the project.
